How often you hear the remark: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency toward pneumonia. It always cures and is pleasant to take. For sale by all dealers, Benson, Smith & Co., agents for Hawaii.

Why The U. S. Machine Is The Best— BECAUSE

It is the only Rotary Washer that has revolving steel ball gearing, reducing the friction and thus making machine so light running and almost noiseless.

The gear wheel turns right or left, the pin wheel or dasher reverses automatically, turning the clothes back and forth through the hot soap suds and cleaning them WITHOUT RUBBING THEM TO PIECES.

Over One Hundred Thousand in use.

The U. S. Machine have no equal because they wash clean.

IN GOOD COMPANY

Many dollars are turned away annually by The Star in rejecting offensive and improper advertisements offered for insertion in its columns.

This is a cogent reason why The Star's advertising columns are so generally used and so widely read.

Want ads the Star bring quick results. Three lines three times for 25 cents.

Twenty-five cents pays for a Want ad in the Star. A bargain.
